Arrival of English Ministers and Orickotors.

New York, Sept. 24.-Rev. Hugh Bruce Hughes, a prominent English Methodist divine, and forty Methodist ministers arrived here yesterday on the steamer City of New York, bound for the Episcopal conference, which is to be held in Washington on October 7. Col. H. S. Olcott, president and founder of the Episcopal society, arrived here yesterday. He is on his way to Japan to found a branch of the society there.

More Chinese Riots Reported.

SAN FRANCISCO, Sept. 25.-The steamer Empress of China has arrived at Vancouver, B. C., with the news that the Chinese riots in Shanghai have been reported. No lives lost.

Alliance Members, but Democrats Still.

ATLANTA, Ga., Sept. 21.-Yesterday morning in the Georgia legislature the much needed Ocala resolutions, as introduced by Mr. Bennett, of Pike county, for the removal and impeachment of that body. The resolutions were defeated by a vote of 51 to 43. This action indicates clearly that the alliance men of the legislature, who are in the majority, are not prepared to take any measure that is directly opposite to their views as democratic members.

A Gang of Tramps Wake Up the Wrong Passenger.

OWASCO, Minn., Sept. 24.-Thursday evening five tramps entered at the home of Engineer Finck and insisted that Mrs. Finck should buy a ring. At her call for help her husband came, but was obliged to retreat before a tramp's revolver. Requiring to his room he secured a revolver and from a window opened fire on the tramps. They returned the fire, wounding Finck in the arm. Finck fired five shots. Two tramps were seriously wounded. The other three were fatally wounded. All five are in jail.

Withdraws from the Episcopal Ministry.

CANTON, O., Sept. 24.-Rev. Howard Macfarlane, the suspended Episcopal clergyman, yesterday forwarded a letter to Bishop Leonard, of Cleveland, announcing his withdrawal from the Episcopal ministry. He states as his reason that he cannot conscientiously retract the statements made. He has accepted a call as pastor of the First Universalist church at Saginaw, Mich., and will begin his work there a week from next Sunday.

AT THE POINT OF DEATH.

Mrs. Zerelda Wallace Stricken Down in the Midst of Labor.
FREQUENT, Ill., Sept. 23.-Mrs. Zerelda Wallace is lying at the point of death at Shannon, Ill., near this city. She is sinking rapidly. Gov. Lew Wallace, who is at Indianapolis, has been advised of his mother's illness and is expected to reach here soon. Mrs. Wallace was in the midst of a lecture on woman suffrage when taken ill, and saying: "Friends, I shall not be able to postpone the lecture further," she sank to the floor unconscious.

Meeting of the Sovereign Grand
Lodge in St. Louis.

BUSINESS OF A ROUTINE CHARACTER

Occupies the Morning Session - Past
Grand Master Rises Taken Violently
Ill - The Prize Drills and Minor
Sports at the Fair Grounds.

St. Louis, Sept. 24.-The Sovereign Grand Lodge of Odd Fellows

reconvened at Adinington hall, corner of Seventeenth and Olive streets, at 9 o'clock yesterday morning. Business of a routine character was transacted up to 10:30. Reports from committees were submitted and memorials for grand jurisdictions were filed for action. A committee of past grand officers was appointed to draft suitable resolutions on the death of Past Grand Sirs Edw. L. Leach, of Iowa. The grand secretary, George W. Smith, of St. Louis, reported the committee as J. R. Nicholson, of Pennsylvania; James P. Sanderson, of New York; Cornelius A. Logan, of Kansas; John H. Waite, of New York; and C. Underwood, of Kentucky.

During the morning session Past

Grand Master Col. T. P. Riley was taken violently ill at his temporary residence, 1707 Olive street, opposite Adinington hall. His condition seemed to be a high fever, induced by a severe congestive chill, during which it required the united efforts of Grand Secretary Sloan and several physicians. Riley's condition improved, but he was unable to hold his position upon his bed. Medical attendance was at once summoned. Mr. Riley is now grand lecturer for the state of Missouri and has been very successful in his duties during the past year. He stated to those at his bedside that he had been actively engaged in traveling and speaking, averaging not more than four or five hours of rest for twenty-four hours. This strain had exhausted him and the excessive heat of the past few days was more than he could stand.

THE PRIZE DRILLS AT THE FAIR GROUNDS.

Only six of the fifteen cantons entered for the prize drills at the fair grounds yesterday. The cantons were the Elwood, of Elwood, Ind., got the prize of \$1,000. The judges gave the canton 84.33 out of a possible 100. The second prize was given to the canton of Germantown, O., for 82.33 out of 100. The third prize was given to the canton of Indianapolis, Ind., for 80.00 out of 100. The fourth prize was given to the canton of Lincoln, Neb., for 72.14 out of 100. The fifth prize was given to the canton of St. Joseph, Mo., for 70.00 out of 100.

The B. V. White Fairs.

NEW YORK, Sept. 24.-Late yesterday afternoon Mr. Gould, the assignee of B. V. White & Co., said that the creditors of the firm were behaving kindly. The banks and people holding bonds were perfectly satisfied with their security, and as all the loans are matured 20 to 30 per cent. they are perfectly safe. Mr. Gould said that so far he had only been able to find 25,000 dollars of cash, but he expected to find 50,000 dollars more, which confirmed the opinion that the failure had been exaggerated.

A receiver has been appointed for

the Chicago railroad. The receiver is a man most proficient in the sword drill. Officers and cavaliers entered the ranks alike. They were drawn up in two lines facing each other, and the commands were given by one of the judges, and the other two watched for mistakes, ordering each man out of the ranks as he made an error. One by one the cavaliers were detected in their faults and were sent crestfallen out of the ranks, until there remained only Capt. G. H. Switzer of the Chicago canton, and Chevaliers J. C. Switzer and J. H. Switzer. Chevalier Switzer was a trifle slow in raising the point of his sword at an order, and he fell out. Then for two minutes more Capt. Switzer and Chevaliers Switzer drilled, and the crowd in the grand stand applauding each movement until Chevalier Jones let his sword strike his trousers as he brought it down with a swing. That ended the contest and Capt. Switzer got the prize.

The cantons of Columbus and Paducah

refused to drill when they learned that they were to be punished for tardiness. The cantons of Columbus and Paducah were loudly grumbling about the decision of the judges.

INCIDENTS OF THE ATHLETIC SPORTS IN

THE AMPHITHEATRE.

A big crowd saw the athletic sports in the amphitheatre. George Heinich won the 100-yard run, F. V. Fehr the 200-yard run, E. A. Smith the 400-yard run, and C. A. Smith the 800-yard run. The mile and half mile ordinary, Johnny Hurek making the seconds, Mrs. King the daughters of Rebekah stone and egg race, Otto Wawers the sack and F. W. Hines the wheel race. The 100-yard run was a long distance runner on the ground, was so heavily handicapped in both the races that he entered that it discouraged him, and he made little effort to win either one. This took the interest out of the races in which he was.

Jack Pomarede surprised all his

friends by his poor riding in the bicycle race. He is not in it with the riding men of this season. Capt. Roy Tidd of the Missouri rode a slow wheel and made a plucky fight against the steel muscles in Burt Harding's legs. Will Loring collided with Harding in the ordinary race and his wheel was smashed, putting him out of the race. He couldn't have won, anyway. Dick Hurek didn't race, although he was entered, but Johnny gave a good account of himself in the wheel race. He was not properly managed, and there were no delays.

Lithemia is caused by a poisonous acid in the blood and yields to Ayer's Pills. Many cases which seem chronic and hopeless, have been completely cured by this medicine. It will cost but little to try what effect the pills may have in your case. We predict success.

Tuesday night burglars got in their work on East William street. They entered the cellar of the Al Oussell residence, through the outside door, and purloined 40 cases of preserves. They also visited a house two doors distant and were getting ready to carry off more property when a glass jar fell and broke, the crash causing the thieves to scamper off. Several residents out that way have bought revolvers.

A party was given last evening at the home of Mrs. E. W. McIntosh, on Prairie avenue, in honor of Miss O. E. Curtis.

Charges in Curtis' Court.

Justice Curtis had a lively case before him for an hour this forenoon. It was the case of The People vs. Mrs. Minnie Wagner, charged with having made an assault on Mrs. Lottie Sadosky. There were ten witnesses on a side, with State's Attorney Mills to prosecute and Attorney Gray to defend. It developed that there has long been an old feud between the two women, and it was related that Minnie had once on a walk and had struck her in the breast with her clenched fist. The preponderance of evidence was against that statement and Minnie was discharged. In the course of the trial the witnesses, who were mostly women with lakes in arms, took sides and they talked so rapidly and loudly that the court, together with Constable Weisell, became rattled and proceedings had to stop. To increase the racket "Squire Curtis sang a few lines of the hymn, "Come, thou fount of every blessing," and then through the interpreter told the women that if they did not keep quiet he would fine every one of them five dollars. They understood that and thereafter kept still. It was a great Polack crowd, and the clattering was resumed with vigor on the walk after the case was decided.

Peter Collins was before Justice Curtis to-day, charged with assaulting Minnie and Anne Allen, the recently growing out of coveting into Collins' court field near the St. Louis bridge. Attorney Buckingham appeared for Collins, and State's Attorney Mills for the people. The case is to be argued this afternoon.

Ammonia and Alum in Baking Powders—How to Detect Them.

In view of what the Minnesota senate has done, it is hoped that legislative bodies in other states will soon take up the subject of food adulteration. The following list of baking powders containing ammonia and alum, compiled from official reports and published in a recent number of The Scientific American, is given below. It is the only list of a direct manner with an evil that must be cut down," said The Chicago Tribune in commenting on The Scientific American report. Following is the list of AMMONIA AND ALUM BAKING POWDERS. Compiled from Official Reports.

Powders marked with a star seem to have a good name, as they are mentioned in at least two of the reports.

WANGELIN-STEEL.

A Happy Marriage Quietly Celebrated on Prairie Avenue.

The marriage of Miss Jessie Rachel Steele, second daughter of Major and Mrs. George R. Steele, to Mr. Ernest E. Wangelin, of Belleville, was consummated last evening at 7 o'clock, at the home of the bride's parents, 631 Prairie avenue, Rev. George E. Scrimmer, former pastor of Grace M. E. church, this city, officiating. The ceremony was witnessed by only the relatives and immediate friends of the couple, and was performed in the east parlor on the same spot where Miss Sallie Moore and Mr. George R. Steele were united in holy wedlock twenty-seven years since. The parlors were very tastefully decorated with potted plants and flowers, and in the east room was a beautiful nuptial bower, the effect being most pleasing to the eye. The ceremony took place under a canopy of amaranth, from which was suspended a handsome design of a bow and arrow of the bride. At the hour of the ceremony the bride party descended the stairway to the notes of Mendelssohn's wedding march, performed on the piano by Miss Nellie Moore, a cousin of the bride. First came the bridesmaids, Miss Belle Mayo Steele, sister of the bride, and Miss Olive Wangelin, sister of the groom, followed by the brides and groom. When the bridal party reached the center of the east room the bridesmaids separated, allowing the bride and groom to stand beneath them and beneath the beautiful canopy of flowers. There the officiating man spoke the impressive words which made Ernest and Jessie companions for life. At the close of the ceremony the bridal party led the march to the dining room, where a most sumptuous and complete wedding supper was spread. It was served under the personal direction of Mrs. Charles Snyder. The tables were artistically decorated with candles, amaranth and roses.

The bride's costume was cream faille train, trimmed with chiffon lace and cut demi-train, white addressed her gloves, white satin slippers. She carried a bouquet of Marchal Niel roses and a white ostrich feather fan and the bride's mother.

Miss Olive Wangelin wore a pink dress and a white apron, with gloves and carried a bouquet of white roses.

Miss Belle Mayo Steele wore a silver gown, with a white apron, gloves and carried a bouquet of pink roses.

The bride is a lady well-known as one of Decatur's most charming daughters and is a graduate of the Decatur High School of the class of '88, and of the Decatur Manual College. As a vocalist she has often appeared before the Decatur public, and in every case she pleased and delighted her listeners. Mr. Wangelin may be congratulated on securing for a wife a lady of so varied accomplishments. The groom is confidential clerk and cashier at the Belleville Steel Works, and is a young man of excellent habits.

Mr. and Mrs. Wangelin departed on the Wabash cannon ball for the west. After October 14th they will be "at home" to their friends at No. 221 Pennsylvania avenue, Belleville, where the groom has built and furnished a handsome modern residence. The couple received a large number of costly and handsome wedding presents, among which was a complete dinner set of Haviland china.

Among the guests present at the wedding from abroad were Mr. and Mrs. Richard Wangelin, Misses Olive, Wand, and Bettie May Wangelin, of Belleville; Walter S. Mayo, of Carlinville; Miss Josephine Gansway, of Indianapolis; Regente were received from General A. Hickenloper, Cincinnati; O. S. Ramsey, of the Cheyenne Tribune; Mrs. Ella B. Sargent, Chicago; Col. and Mrs. M. A. Higley, Cedar Rapids, Ia.; Major and Mrs. Sire, Chicago; Mr. and Mrs. W. P. Campbell, Washington, D. C.; Mr. and Mrs. R. E. Carline, St. Paul; Capt. and Mrs. E.
